## Lourdes Dress

Name a more vacation-worthy, statement piece than the The Lourdes Dress—we'll wait. What makes it easy: pullover style, beach cotton fabrication, and midi length. What makes it flirty: bold floral pattern, low-cut V-neckline, ring cut-out at the chest, and tie around each side.

## Amellia Dress

The Amellia Dress is breezy, breathable, and made to wear anywhere (think: seaside villa). Colorful stripes line the luxurious linen fabric, ruffles outline much of the open neckline, and smocking cinches at the waist. The full skirt, which hits mid-calf, has ruffles at each tier.

## Arlo Shirt

Semi-sheer and showing a little skin, the Arlo Shirt has an unlined eyelet design that easily transitions from beach to bar. Inspired by classic menswear styling, it's made with a button-down front and lightweight cotton voile. The fit is comfortable and can be worn over a swimsuit or solo.

Hailing from our resort collection is the Mel Shirt—white, short sleeve, and a go-to piece for vacation. The easy-to-style top is cut from the softest, sustainable Tencel denim and features an open, relaxed neckline, shell buttons, and flattering side slits.

## Rosie Top

With a color palette of cool hues, the Rosie Top presents bands of blue-tinged florals for a unique, eye-catching design. Made from eco-minded cotton poplin, this shirt features a voluminous flutter sleeve, smocking through the bust and bodice, and peplum hem detail.
